Total				

## Additional Services/accessories

Additional language \$530.00+ GST

Additional Regulations \$353.00+GST

Additional USB memory card \$30.00+ GST charge for BrakeWin, BusWin + FrameWin Modules

Printed manual \$88.00 GST

Unlimited Licenses(versions without dongle) mean the program can be installed and used on multiple PC's in ONE SITE LOCATION ONLY. Item prices listed on this form are correct at the time of printing, but Transport certification Services reserve the right to change prices at later date. If a price rise occurs, orders that were processed prior to the price rise will be kept at the agreed price at the time the order was processed. Orders that have not yet been processed at the time a price rise occurs will not be processed until the customer has been notified of the price increase and has agreed to proceed with the order.

# Software Order Form

<b>Company Name</b>			
<b>Website</b>			
<b>Address</b>			
<b>Telephone</b>		<b>Fax</b>	
<b>Email</b>			
<b>Contact Person</b>		<b>Mobile</b>	

To place an order please mark the number of licenses, programs, complete company details and supply the company logo.

Please email your order to : [info@transportengineer.com](mailto:info@transportengineer.com) or fax 03 9753 5600

Upgrades of the software are available every 12 months. (depending on truck manufacturer's model changes)

The price for the upgrade is 12% of the original purchase price of the program, plus postage and GST. When an upgrade is purchased, all previous upgrades (from date of the customer's original purchase price) must also be purchased, if not already done so since the original purchase.

## Annual Automatic Update

Do you authorise Transport Certification to automatically order and supply upgrades for your company every 12 months from the original date of purchase?

**Yes / No** – Please circle

## Delivery

Once an order has been placed, it normally takes up to 10 business days for delivery. The program is delivered by registered post.
