				Total	

¹Programs sold outside Australia do not incur GST.

²Prices shown are for a single physical premises (site). Unlimited licenses are available on the same site. Multiple sites require multiple licenses.

³Prices shown are valid where a TrailerWIN license is already held for a site.

Additional Services and Accessories (check as required)

Additional language	\$530.00+GST
Additional regulations	\$353.00+GST
Printed manual	\$88.00+GST

Additional services/accessories will be added to the total purchase price as applicable. Unlimited Licenses mean the program can be installed and used on multiple PCs in ONE SITE LOCATION ONLY. Item prices listed on this form are correct at the time of printing and Transport Certification Services reserve the right to change prices at any time without notice. If a price change occurs, orders that were processed prior to the date of the price change will be kept at the agreed price for which the order was processed. Orders that have not been processed at the time a price change occurs will not be processed until the customer has agreed to proceed with the order.

Company Logo

Your company logo can be embedded within all programs purchased. Logos can be provided as a high resolution .jpg (or similar) or vector format (Illustrator, Coreldraw, AutoCAD, .dxf/.dwg files etc.). Please include your logo file attachment to your email when submitting this order form.

Company Logo Attached: Yes No

Annual Update

Upgrades of the software are available annually (inclusions with an upgrade will depend on manufacturer model changes etc.). The price for an annual upgrade is 12% of the original purchase price of the program. When an upgrade is purchased, all previous upgrades (from the date of original purchase) must also be purchased, if not previously purchased.

Please send your completed order form via email to info@transportengineer.com
